AS A SMALL BUSINESS OWNER OR SOMEONE JUST STARTING UP, DO YOU FEEL OUT OF YOUR DEPTH WHEN THINKING ABOUT CREATING A SUCCESSFUL BRAND.

You need a strong brand to stand out from your competitors, to gain a larger market share or to establish your business as quickly as possible. But you don't need to compromise on your brand because you're small, you just need TENT...

OUR BUSINESS BRANDING PACKAGE INCLUDES:

A **BRAND POSITIONING SESSION** will help you to define your values and who your ideal customers are. What makes you different and which sector of the market you sit in. This will equip you with the knowledge to create a truly effective logo for your business.

A **UNIQUE LOGO** designed just for you – no cheap clip art! A logo that not only looks great, but stands you above your competitors, better appeals to your customers and gives you many years use.

Got a logo already? Maybe it's time for a refresh?

A BUSINESS CARD TO BE PROUD OF!

We will create a double-sided business card design with a clear and effective layout to really make you and your business stand out and be a great referral tool.

BUSINESS CARD PRINT 500 cards

are printed to a very high specification on high quality, thick card and are matt laminated for a beautiful finish.

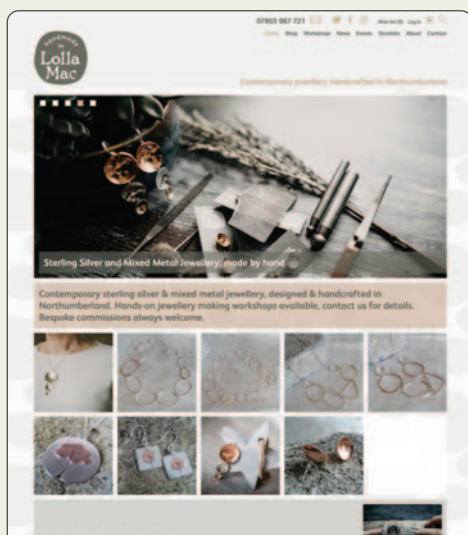

A **FULLY RESPONSIVE WEBSITE** which also happens to be one of the most technically advanced sites.

Our **TENT FLEX** website has various layout options, suits a range of organisations and is fully customised to your brand style.

Beautifully useable at all screen sizes from large desktops to smartphone, the whole site is easy for visitors to navigate and has a host of useful features to keep people on the site.

You can quickly and easily update it yourself too with no ongoing development or management costs.
